Neighborhood Fun Fly August 10th

THE COMBINATION HAS BEEN RESET TO NORMAL & THE FIELD IS OPEN

Memorial Notice

Dominic Tranchida

A long time RC Propbuster member (30+ yrs) & excellent instructor passed away peacefully at his home surrounded by his family and friends on May 29.

Dom was an outstanding person and an excellent flier who always had time to help anyone and train anyone who was interested to fly an RC plane and enjoy the hobby.

Dom was always ready to attend our float flies and join in the fun.

He will be missed by the morning crowd & all who knew him.

Models of the Month

Bill Mares brought in an Airfoilz YAK 54. This is a built up foamy kit Should fly Great!

This is the latest and greatest T-REX 500 brought in by Bob Wales.. Looks Awesome.

This is a 1975 vintage pattern plane called the MOON RAKER. It is sure heavy but should fly great. It was brought in by Alfonso Giansante. Welcome back AL.

Let me be the first to state I was thrilled to see four members bring in some terrific variations of flying models. Think about it, a TURBO-PLANE, this is an 80's design from Germany that is supposed to fly very well, we'll see soon, I hope. Then an electric kit built foamy complete with plywood crutch with depron wrapped around it. Third an electric powered T-REX helicopter that should be a 3D monster in the air, and finally a 70's vintage pattern ship, overweight by today's standards, but should be an interesting flier.

Congrats guys, and thanks for bringing them in:
Looking forward to seeing them fly.

Minutes of May 20, 2008 Meeting

The May 20, 2008 meeting of the RC Propbusters was called to order at 8:00 PM with 25 members present. The minutes of the April meeting were read by Bill Mares and accepted. Ron Czikowsky gave the Financial Report and it was accepted.

Committees

Quiet Birdmen. June 5. Dennis has ask a few people who could helpout, and bring trainers.

Rays High School. May 23. Ray has some highschoolers coming out for a day(9:30 – 1:00). He asked for some help.

ALL Model EVENT. June 28-29. Flyers have been sent out to all clubs and hobby shops within 100 miles. Fred has asked people to volunteer to help out. Everything ready to have a good time. If you want to help out call or email.

Neighborhood Fun Fly. Will be in August on the 10th. Ray, Dennis, and Bill will organize this with the help of all club members.

Old Business:

Electric Fly-in at the Mohegansun went very well. Everybody that went had a good time. We started flying the Blimp again. Anybody that wants to help out let Dennis know.

New Port-o-potti is still on hold.

Old tractor is listed on Craigs list. Anybody that wants to spread the word to get this sold, please do so.

Chuck and the rocket guys were out this weekend(the 17th). Even though we approved 3 possible dates, They neglected to inform us that they were going to be there.

New Business:

A motion was made to give Ron a free membership to the club for the duration of the loan for the tractor, as a thanks for cosigning the loan. Approved.

Calvin Stewart brought more info about a Pylon race. He and other members of the Nepro measured the field for a possible layout for the event. Pylon race typically brings in 20-30 pilots. All our club would have to do is supply about 10 to 15 people to work event and run concession. Racing starts around 10am and ends around 3pm. A motion was made to hold this event Oct. 4 with a rain date of Oct. 5. Approved
