Nov 2008 NEWSLETTER

Now is the time to renew your membership. If you sign up after the February 2009 meeting the cost for membership increases by \$10.00 so why wait, do it now. You can use the application for renewal contained in this newsletter or go to our web site and download a form.

Get involved and give consideration to nominating individuals for 2009 club officers. New blood is always good for any organization so plan on attending the Nov meeting for additional nominations and the Dec meeting for the elections.

F Meyer e-mails make sure they are in your address books.

REMEMBER TO USE THE BUTT CANS. NO EXCUSES PLEASE!!!

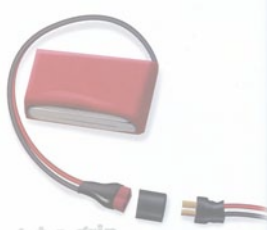

TIP OF THE MONTH

Get a Grip

If you use Deans Ultra Connectors in electric aircraft, you know that it can be difficult to get a grip on them to unplug, especially in tight quarters such as in a fuselage.

Here is an easy fix. After soldering the wires on the connector, slip a piece of tight fitting shrink tubing over the connectors body & shrink it in to place.

Makes it easy to disconnect & adds no weight.

The flying season is ending but we are sure to have a few good days during the winter months so keep your favorite model charged up and ready to go when the weather allows. I have to say some of the best days I have seen this year were lonely as not many members were on site flying their favorite aircraft. Normally the hail and hardy are the ones who show up during the week and on weekends. We have one of the best fields in new England so put on your dancing shoes and show up for a good time always had buy all, even when you crash a bigggggg airplane.

Rudy Herbst Memorial

1933 - 2008

Aircraft Model Building Expert

Model Railroad Affectionado

Horse Trainer

FRIEND

On Saturday November 1st, 2008 we held a memorial service for Rudy Herbst, a long time member of the RC Propbusters and a dear friend to many of us. He will forever be a part of our memories and our Salem landscape. Go with God Rudy, it was great knowing you.

Model of the Month

This Stagger Bee was built by Rudy Herbst & modified and flown by Fred Meyer

Minutes of October 21, 2008 Meeting

The October 21, 2008 meeting of the RC Propbusters was called to order at 7:01 PM with 17 members present. The minutes of the September meeting were read by Bill Mares and accepted. Ron Czikowsky gave the Financial Report and it was accepted.

Committees

Pylon Race. Calvin let everybody know that NEPRO really enjoyed the day (even though it rained for the first half of the day). They would definitely like to come back again.

Old Business:

We invited NEPRO to come back again in 2009 for more than 1 race. Calvin will bring it up at the NEPRO meeting.

New Business:

- We will be having a little service for Rudy at the field to spread his ashes Saturday at 9:30am.
- Anybody that notices changes to be made to the web site email Fred and he will see that it gets updated.
- General cleanliness at the field. Take out what you bring in. If you notice somebody with a dog doing his business, kindly ask them to pick it up.
- We are going to try and have a field clean up before the end of November to seal the benches and general cleanup
- It was proposed that we could use the back side of the Bulletin Board for a tribute to past members that pass away or who contributed greatly to the club and its activities. Maybe something as a hinge plaque with little brass plates engraved. We would like to get a committee together to look into this more.

Good and Welfare

Any alterations that anybody wants to make to the landscaping at the field will have to bring it to the Board of Directors. Or any unexpected expenditures.

Nominations for officers were as follows.

President: Dennis Duplice

Vice Pres: Mark Elliot

Rec. Sec.: Bill Mares

Treasurer: Ron Czikowski

Assist. Sec: Peter Sylvester

Field Marshall: Jack Holmgren

Safety Officer: Tom Vernon

News Letter Editor: Fred Meyer

B.O.D. 2 positions: Calvin Stewart and Bob Haines, 2year term.

New Members

Carolyn LaSaracina

Nicholas Soli

Romilos Fey

Model of the Month

Fred brought in a Stagger Bee made by Clancy Aviation, originally built by Rudy and successfully flown by Fred.

The meeting was adjourned at 8:09PM.

Respectively submitted by Bill Mares.
